

**8th Grade Instructions for Skyward Electives Selection
2023-2024**

These are your Required Classes for 8th Grade

**Language Arts
Science**

**Social Studies
Health (1 trimester)**

Math (or Algebra)

You will be entering your choices for next year’s electives in Skyward. **Please have this process completed by the end of the school day on Friday, April 14.** Also, please be sure to show your parents what you have chosen for next year. :)

- ★ Log into your Skyward, as you normally would.
- ★ Click on “Schedule” on the left column (should be near the middle of the list).
- ★ Look under “Course Requirements” heading and click on “View available courses for 2023-24 in Marshall Greene Middle School.”
- ★ Look in the left column, these are all available electives; you can scroll down and see more options (you may have to use your arrow keys).
- ★ Please add the elective classes you would like to take next year. You will click on the class (it will be highlighted in a darker blue) and then click “Add Course.” The course should now appear on the “Selected Courses” side on the right.
- ★ You may close out when you are done, it will save automatically.
- ★ Please be aware that we will try our best to put you in these classes, but it is not guaranteed!
